determination of this investigation, and the revised deadline is now October 30, 2017.<sup>2</sup> For a complete description of the events that followed the initiation of this investigation, *see* the Preliminary Decision Memorandum.<sup>3</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. antidumping duty (AD) and countervailing duty (CVD) investigations in the preliminary determination of the companion AD investigation.

### Methodology

The Department is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, the Department preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>6</sup>

The Department notes that, in making these findings, it relied, in part, on facts available and, because it finds that one or more respondents did not act to the best of their ability to respond to the Department’s requests for information, it drew an adverse inference where appropriate in selecting from among the facts otherwise available.<sup>7</sup> For further information, *see* “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

### All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, the Department shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act. Notwithstanding the language of section 705(c)(5)(A)(i) of the Act, we have not calculated the “all-others” rate by weight-averaging the rates of the two individually investigated respondents,

<sup>6</sup> See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

<sup>7</sup> See sections 776(a) and (b) of the Act.

because doing so risks disclosure of proprietary information. Therefore, for the “all-others” rate, we calculated a simple average of the two responding companies’ rates.

#### Preliminary Determination

The Department preliminarily determines that the following estimated countervailable subsidy rates exist:

<b>Company</b>	<b>Subsidy Rate</b>
Jiangyin Hailun Chemical Fiber Co. Ltd. <sup>8</sup>	41.73 percent
Jiangyin Huahong Chemical Fiber Co. Ltd. <sup>9</sup>	47.64 percent
All-Others	44.69 percent

#### Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the *Federal Register*. Further, pursuant to 19 CFR 351.205(d), the Department will instruct CBP to require a cash deposit equal to the rates indicated above.

<sup>8</sup> As discussed in the Preliminary Decision Memorandum, the Department has found the following companies to be cross-owned with Jiangyin Hailun Chemical Fiber Co. Ltd.: Jiangyin Bolun Chemical Fiber Co., Ltd. (Bolun); Jiangyin Fenghua Synthetic Fiber Co., Ltd. (Fenghua); Jiangsu Hailun Petrochemicals Co., Ltd.
